Inspection / Approval Copies

Simply tick the relevant column on the order form. Orders for inspection or approval copies are accepted according to our Terms and Conditions below.

Only orders from customers with credit accounts will be accepted for books that are not yet published. For all other orders the details will be recorded and a quotation sent when the product is published.

Terms and Conditions

All terms, conditions and prices quoted in this catalogue were correct at the time of going to print but may be subject to change at our discretion and without notice. They are not valid beyond 31 December 2009. Prices for titles not yet published are provisional.

Inspection and Approval Copies

If you are a recognised educational establishment in the UK you may evaluate a single inspection copy of a title for up to 30 days, after which you must pay for it or send it back at your own cost. Alternatively, if you order 15 or more copies of the same title, you can keep the inspection copy free of charge. Simply complete and return the slip at the bottom of the invoice.

Some titles (usually Teacher's Books, CD-ROMs and other one-off resources) are available on approval rather than inspection. These are also available for evaluation for up to 30 days but must either be returned at your own cost or paid for after this period. In this case there is no option which allows you to keep the title free of charge.

We reserve the right to charge for inspection or approval copies which are returned in an unsaleable condition. If you would like an extension to the 30 days call Customer Services on 01242 267287.
