

## 2009 Care Order Form

# How to place your order

### Firm Orders

Simply fill in your details and the details of the titles you require, including quantities. Please be sure to enclose either payment or an official purchase order. If you wish to pay by credit card please call our Customer Service Department. We accept Visa, Mastercard, Delta, Switch/Maestro and Access

### Inspection / Approval Copies

Single copies of many of our titles are available (to recognised educational establishments in the UK) on an inspection copy (IC) or approval (A) basis. Simply tick the relevant column on the order form. Orders for inspection or approval copies are accepted according to our Terms and Conditions below.

### Evaluation Licence

Online products can be evaluated by ordering a free Evaluation Licence (E). This gives you 30 days to review online content at the end of which you will be given the option to purchase. Simply tick the relevant column on the order form and ensure you have given a valid teacher email address.

### Titles that are not yet published

Only orders from customers with credit accounts will be accepted for books that are not yet published. For all other orders the details will be recorded and a quotation sent when the product is published.

**Please do not forget to complete your name and address details and to include an official order number.**

### Terms and Conditions

All terms, conditions and prices quoted in this catalogue were correct at the time of going to print but may be subject to change at our discretion and without notice. They are not valid beyond 31 December 2009. Prices for titles not yet published are provisional.

### Inspection and Approval Copies

If you are a recognised educational establishment in the UK you may evaluate a single inspection copy of a title for up to 30 days, after which you must pay for it or send it back at your own cost. Alternatively, if you order 15 or more copies of the same title, you can keep the inspection copy free of charge. Simply complete and return the slip at the bottom of the invoice.

Some titles (usually Teacher's Books, CD-ROMs and other one-off resources) are available on approval rather than inspection. These are also available for evaluation for up to 30 days but must either be returned at your own cost or paid for after this period. In this case there is no option which allows you to keep the title free of charge.

We reserve the right to charge for inspection or approval copies which are returned in an unsaleable condition. If you would like an extension to the 30 days call Customer Services on 01242 267287.

### VAT

Prices quoted in this catalogue are not subject to VAT unless indicated by a + symbol after the price, in which case VAT will be added.

### Returning Books

Only titles sent on inspection or approval may be returned without prior permission. All other returns must have prior permission from Customer Services by phoning 01242 267287. CD-ROMs may not be returned unless faulty. Our address for returns is: Nelson Thornes Distribution Centre, Alexandra Way, Ashchurch, Tewkesbury GL20 8PE. Please note that Royal Mail will not accept parcels with our FREEPOST address – this may only be used for letters.

### Annual Renewal Prices for Online Resources

Online resources can be renewed from as little as £25 (+ VAT) per year depending on the product and size of your cohort. For more information please call Customer Services on 01242 267287.

### Carriage

Inspection or approval copies will be delivered carriage free to educational establishments. £2.95 post and packing will be charged on all firm orders.

To receive a full copy of the Terms and Conditions of Sales, please contact our Customer Services Department on 01242 267287.
